BAMBI 1
and her Pink Gun
Have a pink gun, will travel. Bambi is on a mission to deliver a strange babbling kid to the "Old Men"... and no idiots (or disgusting junk food) can hold her back. But a huge bounty on her head means she's not gonna get off easy. What do a nasty teacher, a sweet old lady and a perverted pop star have in common? They make the mistake of crossing Bambi's path!
Welcome to Bambi's turf. Spinning with violent energy, manic action and plenty of fun and gore, Bambi and her Pink Gun is a tale of a true punk heroine. Join her as she seeks and destroys (and looks good doing it).
